August 2009

### **SEA Wire and Cable, Inc. Announces Addition of Jeff Geidt to Franklin, TN Office**

SEA Wire and Cable, Inc. announces the addition of Jeff Geidt to its growing sales organization. Jeff has had a varied career of sales, support and development of technical products.

As a recording engineer in Nashville, TN, he worked on over 120 major label-recording projects, laid miles of cables in large multi-room studios and operated the most advanced equipment recording the likes of Alabama, Whitney Houston, Hank Williams Jr. and Lorrie Morgan. Jeff then transitioned to selling digital audio equipment and audiophile grade audio cables.

Before joining SEA, Jeff was active in pioneering the use of pressure equalization vents for the repair of foggy insulating glass and improving glass performance through the application of 3M Prestige window films. Jeff and his wife Kelly and their three children live in Franklin, TN.

### **SEA Wire and Cable, Inc.**

SEA Wire and Cable, Inc. SEA is a leading supplier of wire, cable, tubing, termination sleeves, cable ties, EMI/RFI backshells, connectors and other cable assemblies for the aerospace and military markets. The company is headquartered in Madison, AL with offices worldwide.
