### **SEA Wire and Cable, Inc Announces Web-based Product Wizard**

Madison/Huntsville, Alabama based SEA Wire and Cable, Inc has launched Product Wizard as the newest addition to its Internet solutions portfolio. The Product Wizard allows anyone to configure a Mil-spec wire and cable. By utilizing a propriety database design, your engineering staff can select the right cable for the job including a complete list of all specifications such as straining, OD, voltage, and weight. The Product Wizard is not only easy to use, but does not allow you to select an incorrect wire or cable configuration. You can also design Mil-spec tubing and UL wire.

SEA Wire and Cable, Inc provides an extensive range of QPL products to the Aerospace and Military marketplace. "This is just the beginning of our roll out of new on-line services. We will continue to invest in Information Technology to leverage our dedicated organization with world class systems to further enhance our productivity and customer service," said Marty Clark, SEA Wire and Cable General Manager.
